Comments: As a resident of 12 North road, i would like to make my following points object to the planning:

Overlooking and loss of privacy

Noise and disturbance as we specifically moved to the area in order to be on the border of the town to ensure quite living

Land is more likely to be water logged as we're removing more greenland in an already swampy/muddy area

Mass building in such a small area would lead to significantly higher amounts of road traffic and noise in an already concentrated area for traffic
