Submission: Objection

Comments: The reasons why I object to the build is the amount of congestion already on our roads. The access onto cottage lane which is already a busy lane and very dangerous due all the parked cars. The damage wildlife I've seen badgers,deer,foxes bat's not to mention all the birds and insects. These woodlands are a whole habitat which we are all responsible for,for future generations. It's Not a empty field plus there's little work in the area so everyone will have to commute so more stress on the environment
