Comments: I wish to object about this application due to the amount of traffic on our roads as it is and the amount of problems we have parking near our house now . There are pot holes in the road as it is .

It is going to increase traffic cause pollution.

There is major congestion on the roads in and out of Glossop now, this will cause more gridlocked roads, god forbid any road works or any accidents. The BY-PASS will not reduce the traffic .

There are lots of trees that will be felled to accommodate this application.
