Comments: I am a local resident and business owner at the Furness Vale Business Park. I fully support this application, it is great to have a food and drink facility during the day, and at weekends, as there is nothing apart from a Chippy in my walking distance. The Bus food has healthy options and great variety, as a vegetarian it is great for me. I enjoy living by the canal. The extra footfall which has been generated has not caused me a minutes trouble. I support any local business that helps this small area thrive. The area around the Bus is lovely and has been carefully planned. Thanks.
