Submission: Objection

Comments: Do people not find it quite strange on here that the people who support this build, do not ever put comments on why they support it.

Do these people even exist, is this really exposing the corruption in these consultation charades.

Does anyone on Gamesley know.

Abinaya, Abby Harley, Lashanthi, Naveen, Sanny, Neelan, Pira Patel, S Patel etc etc

These people support this that much that, they can't even be bothered to write a comment.

Sorry people this consultation is clearly corrupt. Surely if someone supported it, they would state why?
