Submission: Not Object

Comments: I object to this for a number of reasons. Privacy, traffic, noise and disruption, habitat loss for wildlife, loss of more green belt land that is regularly used by locals for family walks, dog walking, young people play area, Birdwatching and general enjoyment of peace and quiet. Further more there is also a development on Glossop road which is more accessible on land than was not used prior to this. Since moving here in Late October I have recorded over 70 species of birds , Bats , Roe deer and many butterfly species. Please don't flatten this area and the hundred old trees that are part of this precious area.
