Submission: Neither

Comments: In principal I have no objection to a fence being erected to enclose part of the garden but cannot determine from the planning application how much area will be enclosed. Using the interactive planning map there is a red line which appears to be the boundary of the property which is subject to the planning permission, if that is also the extent of the fence in question then the whole garden area, including the drive is being enclosed. If that is the case this may be unsightly.
