Comments: I strongly object to planning permission with the view to build houses behind cottage lane,

The woods and wildlife living in the trees and woods would have nowhere to go, birds nests already have been crushed and the extended garden residents had made there own have been ruined by bulldozers crushing everything it ran over, it was heartbreaking and extremely distressing to see ,housus being built so close to cottage lane would cause more noise more traffic more people they've lost the beautiful view of years old trees and sound of birdsong and other creatures, this should not be allowed to spoil the green that makes Glossop a beautiful place.
