Submission: Objection

Comments: I strongly object to building houses on this land as they have already built houses on the land opposite and that caused traffic chaos and also the trees the wildlife such as Foxes / Squirrels/Deer and the birds we have owls and cuckoos.

There are plenty of other sites that could have houses built on.

The road on Cottage lane was never meant for the heavy use it has now. There is no room now to park the cars on the road. Then we are going to have in excess of possibly 100 cars coming in and out of the side road, it's difficult enough to get up and down the street now.
