Submission: Objection

Comments: I wholeheartedly object to this planning application. I have lived in the Glossop area for over 50 years and what is happening to the surrounding areas is an abomination! It was once a beautiful rural place to live with lots of natural habitats for wildlife and green spaces for families to enjoy, be it playing, cycling, horse riding, rambling, dog walking etc. Now every which way you turn there are new houses being built, adding significantly to the already over subscribed schools, GP's, Dentists, not to mention the extra traffic congestion that these new developments create. It's already a nightmare to get in & out of Glossop whatever the time of day. There are also unfinished developments only yards away on Glossop Rd (which if local rumour is to be believed, are already sinking) & further proposed developments at Adderley place on Dinting Vale. The local infrastructure is already crippled and it and the area cannot accommodate any more developments. You have already decimated the beautiful town this once was & the traffic congestion is so notorious, people are put off living here. Please consider the needs of local residents and stop building more houses and build more community outlets & leisure facilities instead, which we are sadly lacking. I sincerely hope you will consider my objections.
