Submission: Objection

Comments: I object to the planning application for several reasons. The area in question is home to a lot of wildlife including deer, bats and owls destroying the area will be detrimental to the wildlife in that area. The proposed entrance on cottage lane would make an already congested area even worse with the greatly increased traffic flow that these property's would bring.

Then there is the problem of facility's ie drs dentists. There are no NHS dentists in the area at all, I have been unable to get access to a dentist since my dentist went private last year and have to travel to Ashton for my autistic son to get access to a dentist.

Before more houses are built in the Glossop area there needs to be more done to improve facility's and the roads
