Submission: Objection

Comments: I am a resident of Oak Bank. Our house faces the proposed new development. I object to this development because 1. of the felling of trees in the wood. These trees play a large part in keeping the road noise down from the A6 and Albion Road, which as you will know is very busy with cars and lorries. 2. the corner of Albion Road onto and from the A6 is very busy with cars and large lorries turning (they have to swing around). If more cars are parked further up the road towards the A6, this will become much harder for lorries to pass and will be dangerous for both road uses (vehicles/ cyclists) and pedestrians as well as causing more congestion.
