

## **Applications HPK/2022/0376 and HPK/2022/0377**

### **Planning and Listed Building Condition 12 – summary of submission – May 2024**

There are two external lights proposed on the rear elevation. These are noted on drawing C700 – sheet 1 – RevB and the two locations are marked on this drawing as “18”. The key on the drawing references “Proposed emergency light as specified elsewhere”.

The light that is proposed for these two conditions is the Morti PIR 67686. The data sheet for this product has also been submitted as part of this application. The lighting needs to be sufficient for emergency escape and to light the bin store area.
