Application Reference No. : HPK/2024/0154 Site Address: Land Off Cottage Lane Gamesley Glossop Derbyshire
Comments by: Jackie Mottershead
From:

Submission: Objection

Comments: I strongly object to this planning application on the following grounds:

The application provides parking for 86 vehicles. Cottage Lane simply cannot cope with this additional traffic. Parking for existing residents is already limited which has resulted in Cottage Lane being a single lane road. The additional traffic created will cause increased congestion on a road which is already congested.

The visibility of proposed access onto Cottage Lane is poor and is likely to cause accidents. The proposed development is effecting creating a cross roads on a narrow road.

The destruction of a thriving wildlife area is completely unnecessary and unacceptable.

There are several new developments already on-going such as The Crowberries on Glossop Road which has an element of social housing. A further development is simply not needed within such a small radius of existing or proposed developments which have already been approved.
