Submission: Objection

Comments: My granddaughter and her husband live on Burlow Road. I have seen at first hand the trauma and upheaval that the mud and run-off causes. Her home was very nearly flooded several times - sometimes when there had been very little rain. Her front garden turned into a 'swimming pool'. She had to constantly monitor the situation, even though there were sandbags in place.

The situation has been much improved since the Company were stopped from stock piling.
