Submission: Objection

Comments: Myself and partner recently brought 189 BURLOW ROAD earlier this year. I object for the planning of slit-like material to be stored up at Hill Head as we have been victims to flooding on our property caused by this material being washed down the lane and blocking the drains leading from Hill Head down to Burlow Road. I have evidence of the flooding on 22nd February 2024, and more evidence from the seller previously. Since buying the house, Seven Trent and the council have unblocked the drains numerous times, fixing the flood issue after prolonged rainfall. We live in dread waking up each morning to our home being damaged by flooding caused from Hill Head slit material. I strongly disagree with this planning permission.
