Dear Jennifer,

I refer to the consultation on the above application which has recently been received for highway authority comments. Apologies for the email formatted response, our standard formatted response template has recently been unavailable.

The application includes the alteration to the existing parking provision to the front of the dwelling; however, it is noted that the application form does not reflect this or the alterations to the site access. Having said that, there are no objections to the altered access and the additional parking spaces will accord with the recommended parking standards for a 4 bedroom dwelling.

There are no highway authority objections to the application. It is requested that the following advisory note be attached to any consent granted for the information of the applicant:

Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991 prior notification shall be given to the Department of Economy, Transport & Environment at County Hall, Matlock regarding access works within the highway. Information, and relevant application forms, regarding the undertaking of access works within highway limits is available via the County Council's website

http://www.derbyshire.gov.uk/transport_roads/roads_traffic/development_control/vehicular_access/default.asp, e-mail highways.hub@derbyshire.gov.uk or telephone Call Derbyshire on 01629 533190.

Yours sincerely,

Adrian Martin
