Comments: This site has no vehicular access making it difficult for emergency services. The provision of an Eco toilet is not confirmed. Town Lane is already a rat run from Simmondley and Hayfield and when construction begins on the Mottram Bye-pass the village will be the main route out of Glossop. Living on Sherwood Fold I can confirm that residents from Glossop Road are forced to park on Lee Vale Drive and Sherwood Fold as they have no option. To invite more cars to park in the village could make things worse and probably cause accidents. This venture will cause a great many problems for our lovely village.
