Comments: i think that it will benefit the community with the new business as it will be a nice local venture to benefit everyone with a different place to visit in chinley. i do not think there will be an issue with parking as it is close enough for everyone to walk to and it will be nice to have somewhere to go to listen to occasional live acoustic music on a saturday evening.

it is nice to see the village carry on and not have too many places that sell the same thing.
