PROPOSAL: Retrospective application for retention of Agricultural shed 8' x 10'

LOCATION: LAND TO THE EAST OF THE THRESHING BARN
LANESIDE ROAD

SK22 4QN

APPLICANT: Mr Barnaby Crawshaw

Derbyshire County Council, the Highway Authority acting in its role as Statutory Consultee has undertaken a full assessment of this planning application. Based on the appraisal of the development proposals the Highways Development Management Manager on behalf of the County Council, under Article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, offer no objection subject to following Informative Note being appended to any consent granted:

- Public Right of Way, New Mills, Footpath No. 157, as shown on the Derbyshire Definitive Map, must remain open, unobstructed and on its legal alignment at all times. There should be no disturbance to the surface of the route without prior authorisation from the Rights of Way Inspector for the area. Consideration should be given to members of the public using the route at all times. A temporary closure of the route may be granted to facilitate public safety subject to certain conditions. Further

information may be obtained by contacting the Rights of Way Section – ETE.PROW@derbyshire.gov.uk. If a structure is to be erected adjacent to the right of way, it should be installed within the site boundary so that the width of the right of way is not encroached upon.

Yours Sincerely
