Submission: Objection

Comments: Current issues with parking on match days.

The verbal abuse from visitors to the ground when they are kindly asked not to park. The language used is offensive and derogatory and my wife has been left in tears.

There are signs clearly visible saying private parking but these are repeatedly ignored. Silverlands close is predominantly lived in by pensioners.

I am unable to go out of my house when there are events on to go out with my disabled wife as I am unable to park when I get home. This is causing us great upset and isolation and needs to be addressed within this planning application.
