Submission: Objection

Comments: Objection to application by Barratt Homes to build 99 Houses on contaminated land at Hogshaw

I wish to object to this application on environmental grounds

Increased risk of flooding

Releasing of pollutants into the environment

Loss of biodiversity & destruction of habitat

Increased strain on local infrastructure

Threat to air quality

Increased traffic

The land at the end of Nunsfield Road is a greenfield used for grazing sheep & provides a thriving habitat for birds & animals
