Application Reference No. : HPK/2023/0192 Site Address: Land at Hoghaw Fairfield Buxton Derbyshire Comments by: Andrew Thomas

From:
34
Nunsfield Road
High Peak
Buxton

SK17 7BN

Phone:

Email:

Submission: Objection

Comments: I object to this development for the following reasons:

1. There will be a significant increase in traffic on Fairfield Road heading in and out of Buxton. This is already a very busy and often congested stretch of road with frequent long traffic jams. This increase in traffic will also cause further deterioration of the already poor air quality in the area around Fairfield Road.
2. There would be an increased risk of flooding to properties downstream.
3. The land around Hogshaw is known to be contaminated from when it was used as a dump for waste asbestos and other contaminants. Any disturbance of the ground here may cause airborne and water based contamination by these chemicals and gases and should be left alone.
