

## **HOUNDS HAVEN SECURE DOG FIELD**

**PARK ROAD, GLOSSOP, SK131EP**

### **Dog Management Plan**

**The purpose of Hounds Haven Secure Dog Field is to provide a secure and safe open space for dogs to enjoy lead. In order to achieve this, we ask customers to adhere to our field rules which can be found on our website and on the access gates into the field.**

- Bookings are arranged via our website and customers receive a conformation email on booking and a text with access codes at least 24 hours prior to their slot.
- Cancellation - If the customer arrives late, the slot cannot be extended, and no refunds will be given. We can however reschedule where adequate notice is given, via our booking system (12 hours)
- Dogs must always wear a collar or harness and ID tag, Choke chains, prong collars and other such devices are not permitted.
- Dogs must be up to date with Vaccinations and Flea treatment.
- Verbal or physical abuse towards dogs(s) will not be tolerated.
- Dogs must be accompanied by a person aged over 18 years.
- We accept a maximum of 8 dogs in the field at any one time.
- There is a designated area for vehicles to wait until the previous customer has secured their dogs in their vehicle and is ready to leave. Once the previous user has left or if the car park and field are not in use the customer can enter the car park leaving their dogs in their vehicle until the main access gate is fully closed and locked. Dogs must remain on leads until they have entered the secure field, and the gates are fully closed.
- It is the responsibility of those using the field to allow adequate time at the end of their slot to get their dog(s) secured in their vehicle before the next user is due. The time slot that is allocated includes time for customers to get their dog back into their vehicle to allow the next person to enter on time
- Biodegradable poo bags will also be provided so that customers can pick up their dog's waste. There are poo bins around the field for customers to dispose of this waste. There is a wheelie bin in the car park for the Hound team to use to empty the field bins regularly. Waste is collected by a contracted specialist pet waste company monthly.

- Customers are responsible for transporting their dogs to and from the secure dog field safely and appropriately.
- Professional Dog walkers and Dog Trainers will be asked to provide proof of insurance.  
when booking
- Customers are responsible for their dog(s) and those they bring with them; they must not leave their dog(s) unattended and should ensure that they are using the dog enrichment activities at Hounds Haven appropriately. Hound Haven is not responsible for any injuries incurred by the customers or their dog(s)
- Customers must not allow their dogs to dig or bark excessively.
- No smoking or vaping at Hounds Haven
- No food (Human or Dog) will be permitted to be brought into the secure field other than small treats for training purposes – No treats are to be left in the field.
- Customers must inspect the field to ensure that it is suitable for their dog(s) If they have any concerns that the park may not be suitable for their dog(s) THEY MUST NOT ENTER
- The field is surrounded by fences 1.8 m high with rabbit wire along the base. Whilst steps have been taken to make this secure, we cannot guarantee that it is escape proof. Hounds Haven is not responsible for escapees.
- The Hounds Haven will inspect the field and fencing regularly for maintenance purposes; however, we ask customers to notify us immediately if they have any concerns.
- Hounds Haven has the required liability insurance.
