Dear Planning Control and Ms Dinnen,

Planning Application HPK/2024/0318

On behalf of my wife and myself, I submitted an Objection to the above current Application on 29th August by email to planning@highpeak.gov.uk as advised by Ms Dinnen. It is now eight working days since then and the Objection has not been posted on the Planning website entry for the Application.

I also submitted the same Objection through the Comments method on 2nd September and received an acknowledgement and was advised that it would be processed within five working days but there is nothing posted even though it is now six working days since submission. I have also included our document in an email that I sent to Ms Dinnen after I had submitted it.

My wife and I are the owners and residents of the property immediately adjacent to 103 Green Lane, the subject of the Application. It is essential that our submission is included in the determination of the Application.

I am sure that you will understand our concern so could you please ensure that our submission is listed and available in the documentation for the Application promptly or explain why that is not possible.

Yours sincerely,

Martin Willey
on behalf of Martin and Anne Willey 103a Green Lane, Buxton SK179DH
