Comments: I am not objecting to the buildings, but I am objecting to the proposal on the plans that they are not putting any fencing up between the buildings and my property, the reason being on the plans that I have got a privet hedge. I do not have a privet hedge, it is not evergreen and it loses its leaves in autumn so it will be open in the winter and that will take away my privacy, so I want it altered to include fencing there as well.
