To Whom this may concern

Re: Peak View Shepherd Hut, SK13 7QE

The Bio-Pure system installed at the specified premises is in compliance with all relevant regulations and standards. The system has its PIA Certificate, CE Marked, and conforms to the BS EN 12566-3 regulation. This ensures that it meets the necessary standards for performance and safety.

Additionally, it is deemed suitable for the intended purpose of the site. The current capacity of the Bio-Pure system permits the addition of an extra static caravan, accommodating two people.

If you have any questions or queries regarding the above, kindly contact our office on 01746 781782 or alternatively you can email sales@webuildit-ltd.co.uk

Kind regards
