Submission: Objection

Comments: It is wanting to change agricultural land to a dog exercise area in a farming area where there are sheep, horses and cows. It is therefore not in keeping with the area. Dogs barking etc will disrupt them.

Concerns over traffic coming in and out of the field as it is a fast road and it is dangerous as visibility is not good.

Disruption to wildlife in the area, deer, foxes, bats and ground nesting birds.

Several dog walking areas around, an exercise field already exists on Cemetery Road.
