Comments: This is agricultural land where there are sheep cows and horses raze in adjacent fields and are disrupted by dogs running and barking.

Traffic turning out of the field is a danger on the road as it is very busy and visibility is not good.

There are plenty of parks and footpaths nearby where dogs can be excercised without disrupting livestock.

There will be disruption to wildlife in the area, there are deer, foxes . The bats and owls will be scared by the lights. Lapwings normally nest in this area so their nests will be destroyed.
