Submission: Objection

Comments: I object to this application on the grounds that the chaos on the roads the traffic will increase the parking is horrendous. Getting in and out of Glossop is bad enough now..

I where will the new occupants go to school get a dentist get a doctor !! There is plenty of houses being built around the area why can we not have some green space where there are trees and the badgers ,owls and foxes can stay plus all the birds that are there. Can someone just think about this carefully as it is already a built up area and there will be a lot of exhaust emissions and they will end up parking on the kerbs as they will not get all the cars parked where they live now as we do not and I have lived there over 37 years and the changes made are not for the best .
