Submission: Objection

Comments: Once again our open spaces are being eroded to build houses which will no doubt be unaffordable! This is an area of ancient woodland home to many species of wildlife. A cess will be difficult and add to our already congested roads. This development along with the proposed development at Hollingworth will just exacerbate an already bad situation. I realise that this proposal is for Derbyshire but our poor road system is legendary and building a spur road will not help with the amount of development in the area that is proposed. I object most strongly to this proposal.
