Submission: Objection

Comments: Disgraceful if you let this happen, the area is full of already dwindling wild life. Do people really not care? Greed.

Bats are endangered and there are plenty that live in those woods, it's a disgrace it really is.

Glossop is already full to capacity with infrastructure that clearly is already having a detrimental effect on the area.

51 houses, more than one car to a house means more congestion on already congested roads.

Please do not let this happen.
