Submission: Objection

Comments: We are objecting because, even though the address is Newshaw Lane and we live on Bankswood Close, the access and impact to our property will be effected as we live almost at the end of Bankswood Close and directly opposite the planned extention to 113 Newshaw Lane. Bankswood Close is already a busy small cul-de-sac and the extention, in our opinion, will have an effect on traffic viability coming in and out of Bankswood Close and will have an effect on the appearance of the Close.

Furthermore, we believe a public notice should have been displayed close by. This is not the case and no notice has been displayed. We understand a neighbour on Bankswood Close has already pointed this out and we can also confirm this.

We also believe that letters have been sent to neighbours who this DOES NOT effect. Please can all residents of Bankswood Close receive letters and have a chance to voice their opinion, as these are the houses that will be effected most. The houses that have been informed by letter will not be directly effected.
