Cottage lane
Gamesley
Glossop

Submission: Objection

Comments: Parking is horrendous already, plans show less parking will be available than current. I often see badgers, deer and a huge diversity of birds on the land that will be lost. I walk the path and area on a daily basis to improve my mental health and that will be diminished by the loss of nature. I am also concerned that the volume of traffic coming through will add to the already struggling one road in and one road out of the estate.
