Comments: With reference to document 10715-HBL-XX-XX-RP-D-0002 - Drainage Maintenance Schedule, i am sure the Nuns at St Dominic's Convent were thrilled with their maintenance schedule, perhaps they could offer us a prayer to stop the rain?

In all seriousness it is a damning indictment of how seriously (or not) this issue is being taken by the applicant that they allow a clearly 'cut and paste' document to be uploaded still with reference to a previous scheme along with the drawings for that scheme. How are we supposed to have any confidence that they will maintain the proposed drainage system correctly when they are clearly just paying lip service to what is being asked of them.
