Comments: We have already seen a development for 150+ homes less than half a mile from this area become a complete eyesaw over the last 2+ years. If both developments are completed the access, traffic, school admissions etc will be unbearable. I have lived on the estate for over 50 years and we have seen traffic problem become a daily grind in the Glossop area. The proposed 'bypass' that isn't a bypass will do nothing to ease this situation. No infrastructure improvements, less buses, less trains, how on earth are we suppose to get anywhere..!!!!
