Submission: Objection

Comments: I object to the house has been built at the back of 74/76 Queens Road Buxton Derbyshire it is very poor access out onto Queens Road coming down the lane. You are meant to have so many yards of vision up and down the road to say cross street is too close. It is just an accident waiting to happen we got told when we built Montpelier Gardens that they would be the last houses to be built with access onto Queens Road will be very intimidating houses back onto our houses and be able to look through our bedroom windows. I've got a child living in my house there are also bats living in the barn, both front and rear of my property that was just too far. Many houses been built in Fairfield with no proper schooling and also dentists
