Submission: Objection Comments:
Objections as follows:

1. Lack of infrastructure in the area as a whole
2. More cars and more congestion means more pollution which will continue to impact in Dinting vale
3. Disruption to leisure use of the area during and after building - we should be encouraging greater use of outdoor spaces with the issues with health
4. Very few wooded areas in Glossop and this is one of them - impact on wildlife which is constantly in danger from human activity. This is a haven for wildlife that anyone who uses the area will know
