Subject: HPK/2024/0343 - Environmental Health Consultation#
Date: 13 November 2024 15:40:09

Hi Rachel

Application number	HPK/2024/0343	Application type	Full - Householder
Site address	2 , Old Smithy Road , New Mills , Derbyshire , SK22 3EH	Proposal	Proposed installation of an air-source heat pump (ASHP) monoblock unit

With domestic ASHP the applicant has 2 choices

1. Go down the MCS-020 route, which would render it permitted development
 - a. ASHP certified to MCS-007
 - b. ASHP installed by a MCS certified contractor in accordance with MIS -3005
 - c. ASHP installation carried out in accordance with MCS Planning Standards
2. Submit a noise impact assessment (NIA) in accordance with BS4142, at application stage.

Often applicants try and apply MCS Planning Standards with a non-conforming ASHP unit. That should not be accepted.

In this case the applicant should demonstrate conformity to point 1. above, or submit an appropriate NIA at application. If they don't do this the application should be refused.

Regards

Matthew Rhodes
