1. I am brother-in-law to Ken White who rented the land and buildings at Birch House, Birch Vale, High Peak, SK22 1DH.

3. The building edged red is known as 'The Chalet'.
4. The area edged in blue has comprised The Chalet's parking, turning area and garden since its construction at the site.
5. The Chalet was brought onto the site in 1978, it was brought in two halves and then assembled onsite. It was constructed on the location of the former tennis court associated with Birch House. The re-use of the developed land included introducing concrete footings for the building and brickwork erected to support it.
6. The porch attached to the chalet building was brought onto site and attached to the building 6 months later.
7. The building is served by mains sewer, water, electric and phonline.
8. John Brennand moved into the Chalet in early 1979 and lived in the dwelling continuously until November 2009.

AND I make this SOLEMN DECLARATION conscientiously believing the same to be true and by virtue of the Statutory Declaration Act 1835
