Submission: Objection

Comments: TODAY 2/12/24 found out by chance on face book a planning application meeting re this matter is to take place on MONDAY DEC 9TH IN BUXTON. I had no letter or email notice of this. After speaking to the neighbor hood - one person had a letter today - most had nothing AND A FEW HAD EMAILS THAT CANNOT BE OPENED.

I emailed JAMES STANDARD and the democracy email and planning at 15.38 pm today 2/12/24 - AT 16.53 PM DEC 2 I received an email FROM PLANNING at HIGH PEAK email titled' speaking at committee meeting' - the attachment will not open - as per others experience today. JAMES STANDARD and PLANNING have been informed by email AGAIN AT 17.15PM DEC 2ND. I believe fro face book you need to declare to speak at this meeting by DEC 4th. In light of all the above this is not enough notice. I would have liked to speak at a meeting but not available at such short notice on the 9th DEC. This is not fair on local residents whom have been patient over a long period re this very serious AND VERY WORRYING matter.
