Comments: We reside in the first house on the opposite side of Spring Bank Arts Centre from the proposed development. We are fortunate to have a driveway with provision for the parking of one car. Already we are often unable to exit the driveway safely because of vehicles parked outside Spring Bank Arts and to the left of our property, frequently partly - or even fully - across the drive itself. Unless adequate provision is made for resident and visitor parking at the new development, we can only envisage this already dangerous situation becoming worse.
