Submission: Objection

Comments: I am objecting to the planning application due to the parking issues we will have. We have issues already due to Heather falls and the cottages down the road and other side of the old school. The Spring Bank Arts Centre permanently block our packing and the staff from new mills primary as well as parents collecting kids and dropping off. They do not bother that signage says residents only parking or disabled they still park there. They forget we have to park and struggle in with shopping and are elderly. The traffic going past constantly speed and due to parking is more like a one way road and you are expecting another 26 flats with the possibility of 2 cars each to also fit in. I am familiar with the building and surrounding grounds so know there will be an overflow of cars onto our already congested parking areas.
