Submission: Objection

Comments: We are not a town one shop that is already serving the community is great best we've had in years the parking and traffic is an issue already and dowt they'd get trade with all supermarkets in town an a well known local owner friendly and great staff who are already established here who as customers we will not change like others as we no them so well and are happy with that like many other local and as all do just around corner for local supermarket for big shop they'd get no trade and cause lot more issues with passing grade with the already busy road with lorry's and buses and to close for cars park to let them pass safely near a turning and cause more disruption
