Submission: Objection

Comments: Burlow Road is a very busy road already with cars double parking to use the local shop, chip shop, I believe the proposed flats require 3 parking spaces therefore there wouldn't be enough parking for customers and they would be forced to park on the High Way making it dangerous and increasing traffic, pollution and noise from cars and people if it opens late and also the double parking would cause danger to pedestrians and cyclists. The shop would not fit the character of the area, and would be very close to neighbouring properties infringing on their privacy.

The increase in amount of cars would also make it dangerous for the park over the road.
