Submission: Objection

Comments: My daughter lives in church view next to the Hoffman bar.

My concern is because part of the building has applied for planning permission to become a food store people WILL park there vehicles outside the Hoffman bar on the road therefore blocking the view of oncoming traffic when pulling out from the church view car park.

This WILL without doubt result in a traffic accident and

could be fatal without double yellow lines extending in front of the Hoffman bar and the houses to the left of the Hoffman bar opposite burlow avenue.

Double yellow lines would also be required on the opposite side of the road to protect the children playing in the park when they approach and leave for the same reason God forbid. When the Hoffman bar was open many years ago it was a nightmare to live next door to and now I fear this will have the same outcome. It would actually be worse with people constantly turning around in the church view car park knowing the neighbours small children use the area on there small bicycles etc. Please don't let this dangerous planning application through for all the above reasons.

Kind regards John Fletcher
