Submission: Objection

Comments: I strongly object to the proposed extended opening hours. I am concerned of the detrimental impact this will have on our local residential community. I maintain that an 11pm close is more than adequate for its location within a small rural village. Whilst we have no issue with it being as is, great consideration should be given by the council and the business owners on how these changes will affect the residents of Chinley. I would have hoped as business owners would have wanted to support and integrate into the village rather than alienating the neighbours by creating late night noise pollution.
