Submission: Objection

Comments: Dear council

We are writing to formally object to the proposed new builds at Briwn Edge Close application number

HPK/2024/0496.

As a resident of Brown Edge Close, we have significant concerns regarding the impact these developments will have on safety and accessibility of our drive .

One of the primary issues is the presence of a blind corner on our drive which already poses a challenge when exiting onto the road. The addition of new builds in close proximity will exacerbate this problem, as increased traffic and potential obstructions could severely limit visibility. This situation raises serious concerns for both residents and pedestrians, particularly children and the elderly, who may find it difficult to navigate the area safely.

I urge the planning committee to consider these factors seriously and assess the implications of the proposed builds on our community's safety.

Thank you for your attention to this matter. We look forward to your response.

Yours sincerely

Mr and Mrs C Wren.
