Submission: Objection

Comments: I am deeply upset and worried about this planning application. I live in 8 Pile View Close, which is close to this. We currently have a new house being built behind our house which has already resulted in a loss of a lot of tree and a definite loss of wildlife. Now there are plans for even more house along next to the river and getting rid of more wildlife homes and trees. This is appalling. The main road is extremely dangerous to be making more access onto. Kids walk this way to school there is regularly speed monitors at the road trying to deal with the already over busy fast road. I am in shock that yet again our local council just wants more money over the safety of our children, wildlife and people living close by. Chinley is being ruined by all these new builds. Schools are full, doctors are over busy, no one can get a dentist appointment. stop over crowding our beautiful little village!
