Submission: Objection

Comments: I object to the proposed cafe due to it being a large corporation. I believe that we should support the smaller independent cafes that we have plenty of in the town and concentrate our efforts on making Buxton a place where smaller independent shops and cafes thrive , making it an attractive place for locals and tourists alike. Research has shown that large corporate premises make it harder for smaller independent businesses to survive and I believe the ethos of supporting local businesses is the way forward for Buxton .
